EDUCATIONUSA STUDENT ADVISING – TUZLA

EducationUSA is a U.S. Department of State network of over 400 international student advising centers in more than 170 countries. In addition, EducationUSA assists the U.S. higher education community in their overseas enrollment outreach and development of recruitment strategies and provides information on the complex U.S. higher education system to foreign governments and institutions.

With the goal of increasing student mobility between the United States and BiH through EducationUSA advising, project proposals will be evaluated by the U.S. Embassy based on compliance with proposal guidelines and mandatory components, evaluation of qualifications, evidence of clearly formulated goals, low project implementation costs, project sustainability, and capacity to carry out the project.

The deadline for submission of proposals/supporting documentation is June 30, 2016.
